

BARRETT ADOLESCENT CENTRE COMMISSION OF INQUIRY REPORT

RECOMMENDATIONS

- 1 Review legislation that establishes the devolved Hospital and Health Service model in Queensland Health**
- 2 Improve service agreements Queensland Health uses to contract services provided by non-government organisations**
- 3 Improve the availability and use of evaluations to inform clinical interventions in mental health**
- 4 Consider a new building in south-east Queensland offering a range of mental health services for young people, including bed-based services**
- 5 Improve transitions for adolescents moving into adult mental health services**
- 6 Improve coordination between services designed to support young people who have both an intellectual disability and mental illness.**
